Math facts are a **MUST** for students at all grade levels. Create simple flash cards on paper and practice age-appropriate math facts nightly to improve math achievement.

We encourage you to use the **FORTIFYFL** app to report suspicious activity!

Maude Saunders Elementary has a Written Parent and Family Engagement Plan (Parent Involvement Plan), jointly developed through input from staff, parents, and community members. Summaries of the plan were sent home in October. To view the complete plan, please visit the Title I tab on our school website or you may pick up a copy in the school office.
